

It's A Party!

Sat. July 23 <> 3:00 - 6:00pm
11 Kingsley Ave, Haydenville, MA

Join us for a fun community gathering, at the home of Bob Michels & Rosemary Keeler. The music starts with a set by visiting jazz duo Paul Klemperer & Peggy Stern.

Then the party opens up with a jam, with local and visiting musicians.

Please BYO: A) Food/Drink; B) folding chair.

Pianist Peggy Stern & saxophonist Paul Klemperer both live in Austin, TX. Each is a bandleader and composer, but when the stars align they join forces for musical explorations. Drawing from a wide range of jazz styles, R&B, classical, Latin and more, their performances are always eclectic, energetic and entertaining.

Peggy has worked and toured with many wonderful musicians, including Lee Konitz, Diane Schuur, David "Fathead" Newman, Machito, Stanley Turrentine, Gerry Mulligan.

Paul has worked and toured with many Texas blues and jazz groups, including Marcia Ball, Angela Strehli, Malford Milligan, Graham Reynolds, and Seth Walker.

Summer 2022 Peggy & Paul are playing several shows together in New England, where they will showcase Texas swing classics and original songs.
